SPRINGFIELD ENDORSES CAPITAL HIGHWAY ROUTE

Resolution Adopted Favoring Road to Arkansas Line—Meeting Ends in Complete Harmony.

Springfield, June 1.—In the presence of delegates from all the cities on the Southwest Missouri part of the Capital highway the good roads committee of the Chamber of Commerce passed a resolution here yesterday rescinding its resolution of April 11 endorsing "a primary highway from St. Louis southwest to the state line, through the towns of Springfield and Joplin" and substituted one favoring an interstate primary highway beginning at St. Louis, passing through Rolla and Springfield, and thence to connect with the interstate road from Arkansas ending near Seligman, and also with the Oklahoma interstate road near Seneca.

The resolution was passed because at a meeting here May 23 more than 400 representatives from these towns contended that the Chamber of Commerce could not be neutral in Southwest Missouri as long as the resolution endorsing a primary highway from St. Louis through Springfield to Joplin remained in effect.

Immediately upon the rescinding of the old resolution and the passing of the new one yesterday the delegates from the towns represented passed a resolution of appreciation of the action of the chamber.

The resolution passed by the chamber yesterday follows:

"Be it hereby resolved, that the Chamber of Commerce of Springfield Mo., favors an interstate primary highway beginning at St. Louis, Mo., passing through Rolla, Mo., through Springfield, Mo., and thence southwest from Springfield to connect with the interstate road from Arkansas ending on the state line near Seligman Mo., and also connecting with the Oklahoma road at the state line near Seneca, Mo.,

The resolution passed by the delegates from Southwest Missouri towns on the Capital highway after reading of the resolution by the chamber follows:

"Whereas, the Chamber of Commerce of Springfield, Mo., has this day passed a resolution rescinding its endorsement of a proposed primary highway from Springfield to Joplin, passed under date of April 11, 1922, and

Whereas, said Chamber of Commerce of the city of Springfield on this date has endorsed and favors an interstate primary highway from Springfield, Mo., thence south and southwest to connect with an interstate road from Arkansas ending on state line near Seligman, Mo., and also connecting with the Oklahoma interstate road to the state line near Seneca, Mo., now therefore, be it

"Resolved by the representatives of the committees of south and south-

M. & N. A. RAILROAD MAIL CLERKS REPORT AT SELIGMAN

Five of the six railroad mail clerks who were employed on the Missouri and North Arkansas railroad at the time that line suspended operations last July have been ordered to report to Seligman for duty this week, and they have begun making runs on the road south of that point since Wednesday. No intimation of when the service will be extended to Neosho as it was formerly operated has been received here.

The men called back to their old positions were: A. Leo Leckie, W. H. Buehler, E. M. Campbell, L. C. Wallace and C. S. Mabrey. Since the suspension of the railroad they have been used on the government's mail lines at other points in surrounding states.

DRIVERS OF AUTOMOBILES TAKE WARNING

It is a violation of Ordinance No. 550, of the city of Monett, Missouri, to drive an automobile on Broadway street at a greater rate of speed than 10 miles per hour, and at a greater rate of speed than 15 miles per hour on any other street in the city, also to operate an automobile with the cut out on such car open, I have instructed the police force of the city to see that this ordinance is enforced.

Please take notice and avoid trouble.

A. W. THOMAS, Mayor

west Missouri here assembled that we express our hearty appreciation for the action of the Chamber of Commerce of Springfield, Mo., for approving the primary road from Springfield, south and southwest to the Arkansas and Oklahoma lines aforesaid and we assure the Chamber of Commerce that we will leave solely and entirely to the sound discretion of the people of Springfield and the people affected north and east as to which routes shall be approved."

The good roads committee of the Chamber of Commerce stated that the chamber intends to be neutral as to endorsements where exact routings are concerned and declined to endorse any part of the route of the Capital highway north from Springfield on the ground that to do so would put the chamber in the attitude of opposing proposed routes north and east of here to St. Louis.

Delegates from the Southwest Missouri towns on the Capital highway who attended the meeting yesterday were: Republic, Dr. E. L. Beal and B. B. Adams; Billings, W. P. Sullivan and J. B. Berghaus; Marionville, R. J. Mitchell and B. R. Coleman; Aurora, Col. T. H. Loy and Ed Adams; Verona, D. B. Huffman and Larry Brunk; Monett, R. E. Callaway and Sam A. NOT A VACATION, BUT—

This is supposed to be vacation time. Luring advertisements beckon us from every direction. For many of us, however, particularly the man who farms, the summer months are anything but vacation months. What better way could the busy man who farms, plan on a vacation which would combine both profit and pleasure than to prepare some of his best breeding animals for his county fair or local stock show, with the ultimate intention of taking the best of the prize winners to the Ozark Stock Show, which is to be held this year at Springfield October 2 to 7. Already quite a number of men have begun feeding and fitting with this very purpose in view. A week spent at the Ozark Stock Show, visiting with fellow breeders from other parts of the country, studying, judging and comparing, is regarded by many busy men as one of the best form of recreation which they can afford to take. Best of all, it is a profitable vacation and usually pays its own expenses, with the liberal cash premiums offered.

Last year some two hundred breeders in the Ozark Country and adjoining territory took this form of vacation, while from the inquiries for premium lists and the preparations being made in many localities, a still larger number will be on hand this year.

Those who have not yet received copies of the premium list for the Ozark Stock Show may get them by writing H. R. Nelson, Manager Ozark Stock Show, Room 2 Jefferson Theatre Building, Springfield, Mo.

J. A. TARBET GOES INTO FURNITURE BUSINESS

J. A. Tarbet, former manager of the American Railway Express Company at Pine Bluff, Ark., has bought an interest in the Hardin & Anderson Furniture Company at Pine Bluff and entered upon his duties this week.

A Pine Bluff newspaper makes the following comment:

"Mr. Tarbet enjoys a large circle of friends throughout this section. For 28 years he has held positions of various kinds with the express company and for six years was agent at Pine Bluff, resigning only a few months ago. In this position he made many friends and was among the most capable and popular of any agents who has resided here. There was no part of the work that he did not have at his fingers' tip and would frequently go beyond his duties to serve a patron of his office. His announcement, therefore, that he will remain in Pine Bluff and engage in active business will be regarded as excellent news to his many friends and acquaintances.

"The Hardin & Anderson Furniture Company has been in business for 10 or 12 years and has enjoyed much prosperity."

Mr. Tarbet was formerly with the Wells-Fargo Express company at Monett. He is a brother-in-law of Mrs. George Feist.

JURY BEING SELECTED IN SWARTZEL CASE

The work of challenging the jury in the trial of Jacob Swartzel of Verona, who is charged with first degree murder in connection with the killing of Ira Thomas, Verona merchant Tuesday evening April 25 started this morning in the Lawrence county circuit court at Mount Vernon. The taking of testimony will probably not begin before Friday morning. There will be a large number of witnesses for both the defense and the state. Swartzel now is at liberty under bond of \$25,000.

Swartzel surrendered himself immediately following the shooting saying that he had to kill Thomas since the latter had ruined his home. He was released May 20 from the Lawrence county jail at Mount Vernon following a hearing before Judge Charles L. Henson in connection with his application for bond.

Saving or Spending?

"Everything is so high that I simply can't save a cent—it just takes all my income to keep going."

WHY?

Because we "keep going" about twice as many places and doing about twice as many things as we can afford.

It isn't what we earn, but what we spend that keeps us poor.

There is a remedy—a little personal independence and a Savings Account at the
